

VILLAGE STUDENTS

Students are responsible for all information in the MEA Handbook. The following specific requirements are to clarify expectations for village students.

Living Arrangements

Village students who are not living with their parents/guardians must get school approval for their housing arrangements. If living arrangements change after the start of school, it is the responsibility of the student to notify the school for re-approval.

Attendance

Village students are welcome on campus for classes, work, scheduled school activities, and study. Those not involved in one of these activities are expected to be off campus. Students are expected to be at morning chapel. All exceptions must be made with the attendance officer.

Village students are expected to attend meetings when on campus and sit with dorm students unless with parents.

Communication

Announcements of programs etc. are made at morning worships. Also, check the bulletin board regularly for weekend schedules and other notices. Deans may also be called to answer questions.

Dorm Visitation

Village students are expected to check with the dean on duty when visiting the appropriate dormitory.

A \$5 per night fee will be charged for village students staying in the dorm overnight. Arrangements for overnight stays should be made in advance with the dean.

Dress

Dress code for village students is the same as for dormitory students at all school functions. This includes vespers.

Vehicles

When attending school-sponsored off-campus activities, village students are expected to drive to school and use school transportation to the activity.

Student vehicles are for transportation to and from school only.

Village students with vehicles should protect the privilege by following these guidelines:

- 1) Use the parking area assigned for village students. Vehicles not parked in designated student parking lots may be towed at student's expense.
- 2) Refrain from sitting or loitering in or around vehicle.
- 3) Use school transportation to all off-campus school activities (except the ski hill).
- 4) Do not use personal vehicles for any part of on-campus work.
- 5) Register student vehicles with the front office.
- 6) Observe posted speed limits and avoid unsafe driving practices.
- 7) Seniors only may transport dorm seniors to or from campus with dean and parent permission.

Note: Abuse of any of these guidelines may result in the loss of vehicle privilege and/or the vehicle being towed at owner's expense.
